

Greetings from the West Side Christian Church Family!

God is certainly moving in exciting ways within our community of faith. There is no better time to be a part of West Side's ministry than right now.

Through our ministries with Angel Food, Oasis, and Portsmouth Volunteers for the Homeless, there are opportunities for service. Through our Christian Men's and Women's Groups, Sunday School Classes, and Bible Studies there are opportunities to learn and grow spiritually. On Sunday morning and at other special times throughout the year, there are opportunities for worship. Through pot-luck dinners, after church luncheons, and other church activities there are plenty of opportunities for fellowship.

As a part of the Christian Church (Disciples of Christ) we believe that all people are welcome in our church. If you are searching for a new church home or are just looking for a haven of respite and healing, know that you are invited to any and all church functions. If you are considering a visit, make note that our worship service begins at 11:00 am on Sunday morning, preceded by Sunday school classes that begin at 9:45 am.

Please refer to our website for regularly scheduled opportunities for ministry or call the church office with any questions you might have. Our website provides information about our congregation, our denomination, and our community. Check out our newsletters and bulletins for details about specific dates and times for programs and other events.

We hope you will consider visiting our congregation this Sunday. In the interim, we pray that God's Spirit lead you to whatever ministry God might be calling you. God bless you!

Peace,
Nathan Brown
West Side Christian Church, Minister
