

"Who Are These Disciples of Christ?"

I want to invite you to a leadership event that is happening at West Side October 14th and 15th. We will be hosting Dr. Richard Harrison, former president of Lexington Theological Seminary and pastor of Seventh St. Christian Church in Richmond, Virginia from 2001-2007. Dr. Harrison has a long and varied career as a Disciple historian. In his retirement years, he enjoys working with local churches to understand their identity as Disciples of Christ and their mission as the church today.

On Friday evening, October 14th, Dr. Harrison will present **"Who Are These Disciples of Christ?"** It will involve an overview of the Disciple's story. We will begin with a meal at 6:30 PM (cost \$7.50), followed by Dr. Harrison's presentation. Everyone is invited to be part of the Friday evening event. Reservations slips for the dinner will be available in upcoming bulletins.

The Saturday, October 15th event is especially designed for Elders, Diaconate members, and Care Team leaders. It will be a workshop type format that will be taught from 9:00 AM – 2:00 PM. It is titled **"Leadership of the Elders and Deacons – Helping the Church be the Church."** There is a sign-up sheet posted in the hallway for all those who are interested in being part of this event.

Hope to see you there,
Pastor Mark
